**THE TAMPA PALMS WOMEN'S GOLF ASSOCIATION
7th ANNUAL WGA GOLF FOR CHARITY TOURNAMENT**

December 2007

Dear friends, neighbors, golf and tennis players, past and future supporters!

Hurricanes blow through our cities--disasters, wars, tidal waves--all command our attention and turn our focus on those who have the most immediate need. This is surely as it should be. **However we must always remember that cancer does not take a holiday.** In the midst of all of these pressing needs, we have many family, friends and neighbors struggling to make sense of those dreaded words, "yes, you have a malignancy."

Suddenly they are faced with their own private tsunamis. Their world is swamped with strange new terms, fears, procedures and medications that may make them feel sicker and more alone than they've ever felt in their lives. Yet, they still have to juggle families, jobs, and community obligations with endless days in doctor's offices and chemo sessions. **This is where you come in.** The 2008 proceeds from this event will be earmarked for cancer treatment at the Moffitt Cancer Center. Please save this date for this fun-filled event.
